ANNUAL YALE ROCK AWARDS

What ever happened to _____?

Scandal—They're still around, minus Benji King. Santana, Alice Cooper, Nazareth, the Call, the Go-Go's, and The Cars are still hanging in. Ozzy's back with a new band and a new LP and Deep Purple broke up. Good Rock-Roll—it got better. The Tidy Bowl Man probably drowned. Kiss took off their makeup, put out an album and toured with Vandenberg. The Jackson 5 are back together and touring again. You'll have to ask the Statler Bros. whatever happened to Randolph Scott. Jim Morrison's supposedly dead but still raking in the bucks. Amelia Earhart probably took a wrong turn. As for Led Zeppelin—John Bonham died in his car of hypothermia; Robert Plant has two solo lp's out; Jimmy Page has been working with various musicians in the Ronnie Lane Benefit Concerts; and I assume John Paul Jones is keeping busy. Rumour has it that he has been visiting the studio where Jimmy has been working on some new material.

Editor's Note

Well, another year is drawing to a close, and time is almost up for us seniors.

This year was a rather difficult one, as we had to redo our plans once the millege passed.

Though we had some difficulties it was worth it. I'd like to thank all the people on the Yearbook Staff, Yale Expositor, Marion's Studios and all the people who bought ads to help us pay for this yearbook.

I'd especially like to thank Mr. Dewey (You worry too much!), Ed Gould (I hope you don't plan on becoming a Certified Public Accountant), Mary Priess (for all her errand running and hard work), and Tammy Bullock (for all her hard work and time).

Advisor: Rod Dewey

Editor-in-Chief: Lori Gall

Assistant Editor and Accountant: Ed Gould

Runner: Mary Priess

Photographers: Sandy Ogden, Teri Begerowski, Ginny Nearing

Typists: Ed Gould and Mary Priess, Patsy Wilkie and Tina Mathews, and a cast of thousands.

Juniors

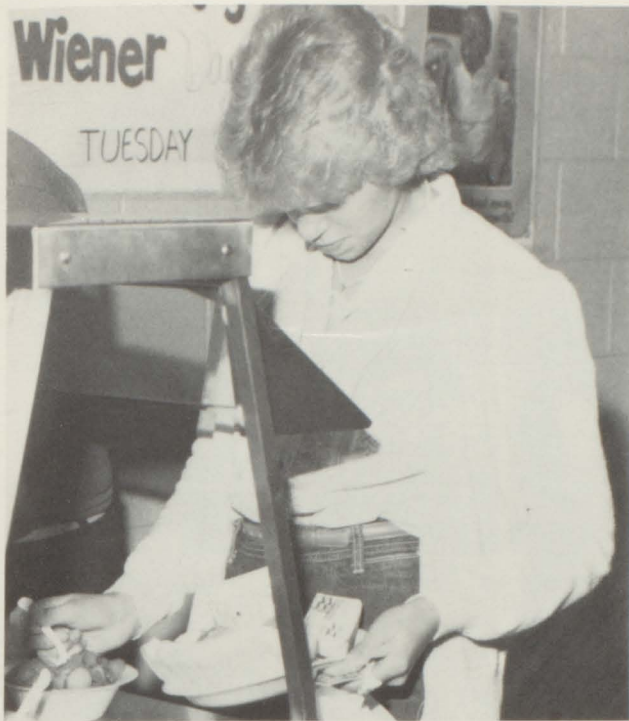

Junior Class Officers; standing Advisor Mr. Yurko, Treasurer Laurie Yeashevich, sitting Secretary Kellie Kinney, President Tracy Aldea, Vice President Missy Beschoner.

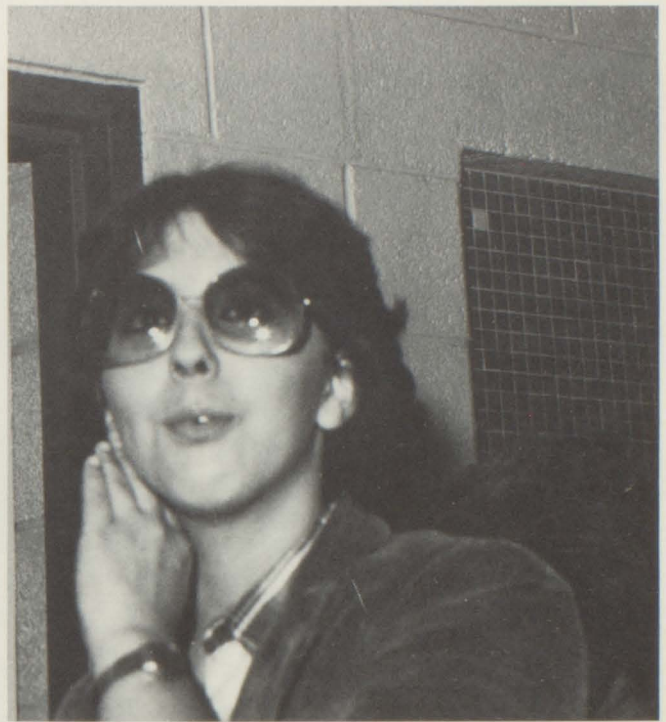

The Class of 85 has 178 hardworking students. Our freshmen year was a real experience for us because we came in fourth with our float for the Homecoming of 1981. The representatives were Paula Priess and Kent Porter. Our sophomore year was a little better because we got to know more people and had a lot of fun. Our Homecoming Representatives were Karen McClure and Pat Hayes. We worked hard on the hall decorating contest and it paid off; we took first place. This year is our junior year, and we've got big plans to accomplish with help from our advisor, Mr. Yurko. Our plans include making some money so that we can afford a class trip to Cedar Point this year and can pay for other school activities. With cooperation and a little work, we will be able to go on our trip. Our most important plan is to graduate in 1985!

Sincerely,
Tracy Aldea
Junior Class President

SOPHOMORES

Sophomore Class Officers President Vicki Kardell, Advisor Mrs. Maul, Vice President Sherry LaMay, Secretary Leah Capanda, Treasurer Anne Porrett.

The Sophomore Class of 1986 consists of 150 hardworking students. We have had a great turn-out of eager volunteers in the past, and we hope to see more in the future.

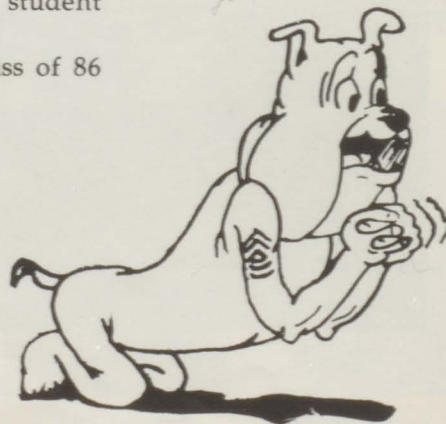

Our magazine sale last year was a great success. We had a lot of fun winning prizes and raising money for our class. We also set a record in our school for the most sales. Our top seller was Kristine Kettlewell.

The 1982 Homecoming Parade was also a success. Our float "The Eye of the Bulldog" took third place.

In the future we would like to install a new program for students in trouble. The program is called "Safe Rides". In the event that a student becomes drunk and cannot drive, they can call for a safe ride home.

The sophomore class officers this year are here to see that the class of 86 gets the most out of their high school years.

Sincerely,
Vicki Kardell
Sophomore President

FRESHMEN

Freshmen Class Officers Advisor Mr. Trombley, Vice President Tricia Antrim, President Pam Houston, Secretary Stephanie Dougherty, Treasurer Kim Long.

The freshmen class of 1987 has a promising future at Yale High. Our class officers are going for their first goal which is to raise money for our class treasury. We will be selling hat pins this year. Towards the end of the year, we will have a magazine sale to raise money for our Jr.-Sr. Prom.

We are working towards having numerous exciting activities so our freshmen class can leave Yale High with many unforgettable memories.

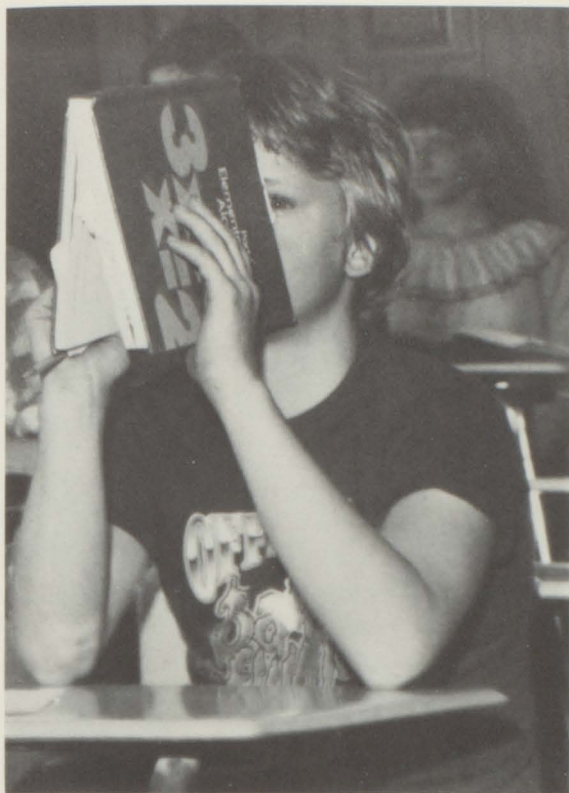

Our freshman class consists of 170 outgoing people. Through our freshman year, we will become even more outgoing than ever and keep our class spirit shining bright.

Last year Deidra Fulmer was awarded the Ted Stine award for her outstanding effort in eighth grade. We hope to have many more outstanding students this year also. Our aim is to make school a more pleasant place to be.

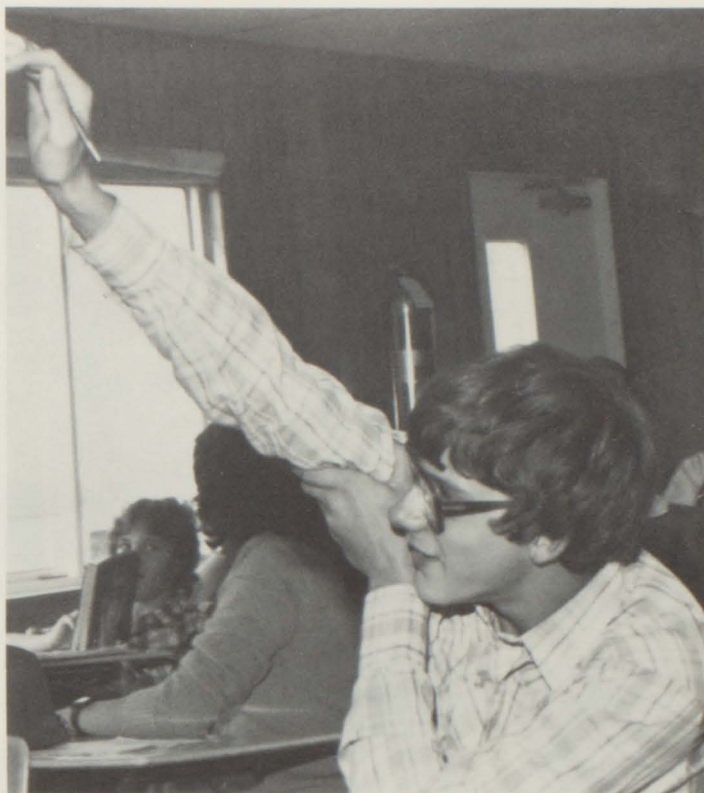

We anticipate good years ahead at Yale High. By the end of our senior year, we will look back at our junior, sophomore and freshmen days and remember all the great times at Yale High School.

Sincerely,
Pam Houston
Freshmen President

ENGLISH

The English department at Yale begins with English 9 as a Freshman. English 9 is a basic review of the English language. Mr. Nofs, Mr. Yurko, and Miss Bromberger teach English 9.

As sophomores, students can take General Composition or College Composition. These classes cover the English language and basic writing skills. Mr. Yurko teaches General Comp. and Miss Allam teaches College Comp.

Mr. Yurko also teaches Reading Techniques. This class helps students get the most out of their reading.

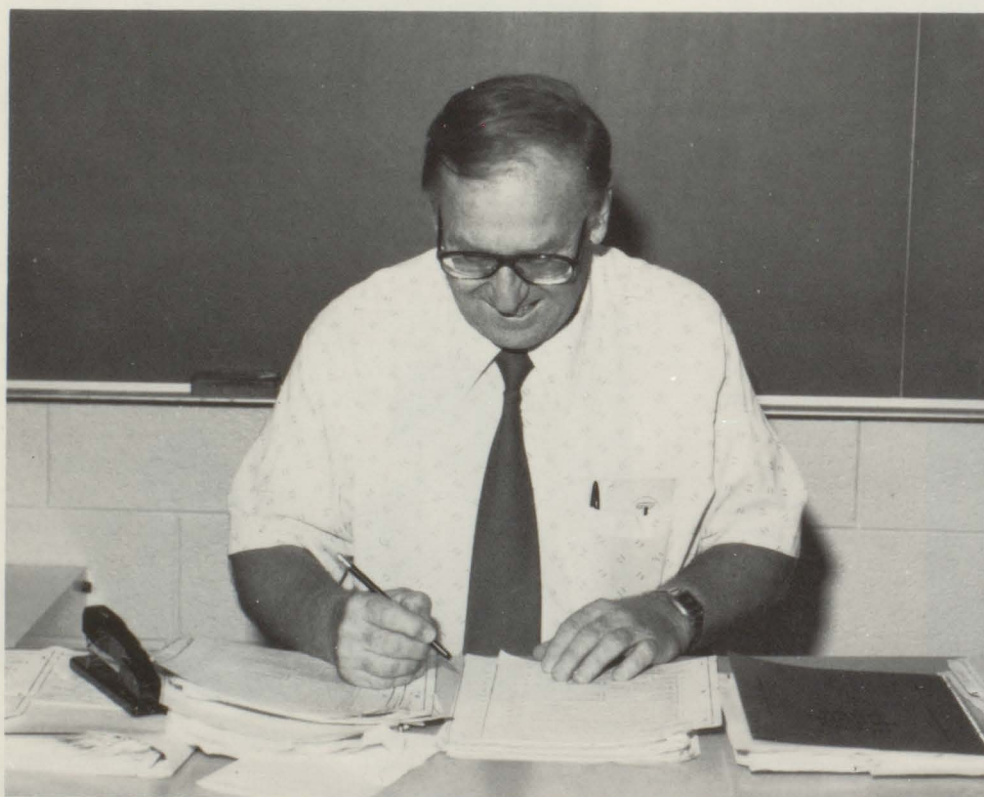

Mrs. Dagg teaches English Literature. This course is designed to cover English literature from the Anglo-Saxon to modern periods.

English II is a study of American writers from the Colonial era to the modern times. English II is taught by Mr. Nofs.

Senior College English is also taught by Mrs. Dagg. Senior College English is designed to prepare seniors for college writing. It is the final English class many students will have before they go on to college.

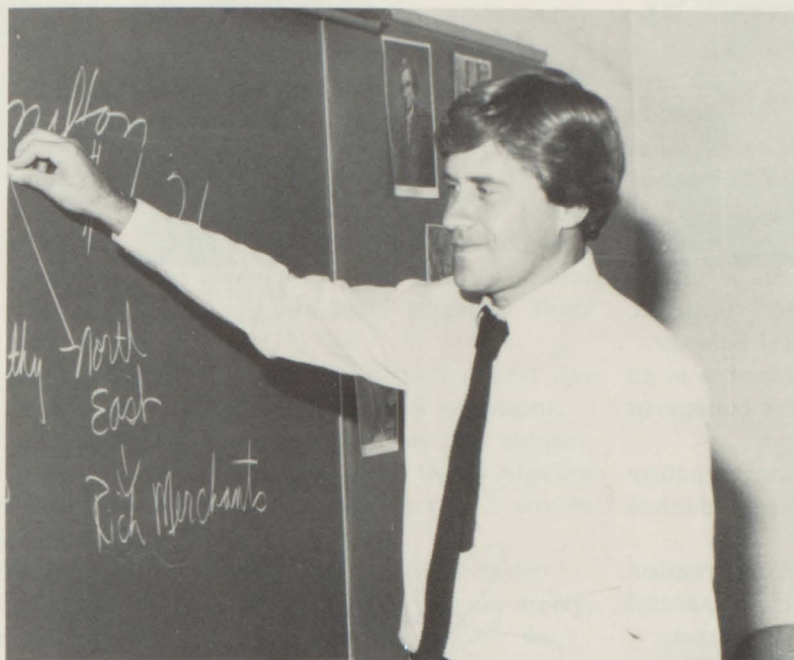

Top row: Mr. Nofs, Mr. Yurko.
Middle row: Ms. Bromberger
Bottom row: Mrs. Dagg, Miss Allam.

Mr. Yurko works hard in correcting students' homework.

SOCIAL SCIENCE

Social Sciences in Yale consist of six classes. As a whole this area covers such topics as world governments, American History, and a basic study of foreign cultures both past and present.

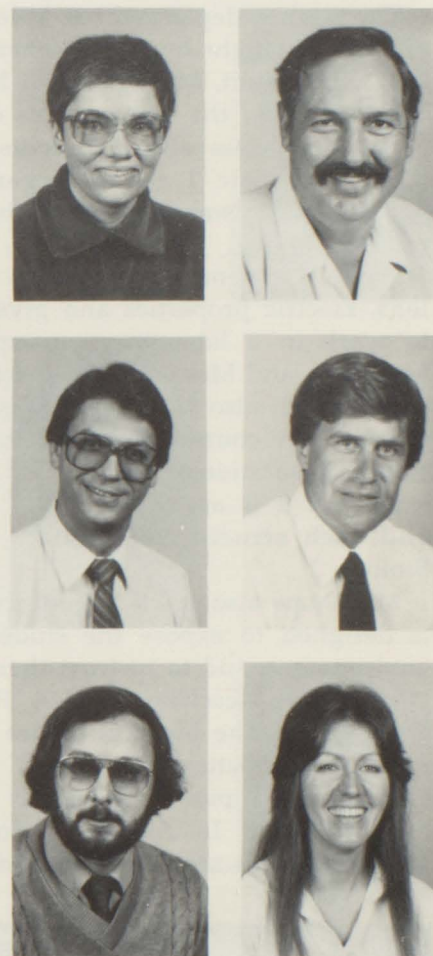

World Geography consists of a basic study of the world and the interactions of the nations of the world. Mr. Trombley, Mr. Nofs, and Mr. Egan all teach World Geography.

American History comes after World Geography. American History covers such topics as ancient and present civilizations in America. Mr. Robinson, Mr. Nagy, and Mr. Presnell teach American History.

In Economics such topics as production, labor, supply and demand and many others are covered and discussed. Mr. Nagy also teaches this class. Economics is a half year class. The other half year is government. Government is designed to expose students to the basics of the American Government.

Psychology is another one semester class. In Psychology, students get an opportunity for insight into the behavior of the individual. Miss Sworthwood and Mr. Nagy both teach Psychology.

Opposite of Psychology is Sociology. Sociology gives the students a chance to study societies from past to present times. Mr. Presnell, and Miss Bromberger teach this class.

Top Row: Miss Sworthwood, Mr. Robinson. Middle Row: Mr. Nagy, Mr. Presnell. Bottom Row: Mr. Trombley, Miss Bromberger.

SCIENCE

The science department at Yale is made up of seven classes, taught by five teachers: Mr. Johnson, Mr. Dams, Mr. Hunt, Mr. Egan, and Mr. Smith.

Biology 1 is the first science class offered to students. This class offers students a chance to study life from basic 1 celled organisms to the most complex organisms. Both Mr. Johnson and Mr. Dams teach Biology 1.

Physical Science covers such subjects as natural lens, Electric properties and gives students a chance to work in a laboratory atmosphere. Mr. Johnson, Mr. Egan, and Mr. Smith all teach Physical Science.

Mr. Smith also teaches Chemistry. Chemistry is an introductory course of material needed for college or technical vocational training.

Biology 2 is an indept study of human structure and each structures function. Mr. Dams teaches Biology 2.

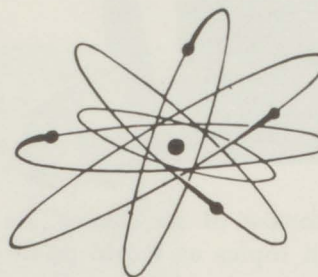

Mr. Dams also teaches Conservation. Conservation is designed to expose the students to their natural environment, and to instruct them in its wise use.

Mr. Hunt teaches Physics. Physics is a course dealing with the physical nature of matter and energy in a mathmatial manner.

Advanced Topics in Science is another class taught by Mr. Hunt. In Advanced Topics many implicit scientific topics are discussed and examined.

Mr. Dams holds a Biology class in awe with his lecture.

MATH

Algebra I covers the basic math skills and many new topics. This class is designed to cover many types of math problems. Mrs. Hedge teaches Algebra I.

Math Methods I and II are designed to cover the same topics as Algebra I, but gives more time to cover each subject.

Mr. Rathje and Miss Whitcomb teach Math Methods I. Mr. Rathje also teaches Math Methods II.

Miss Whitcomb also teaches General Math. General Math is designed to help students improve their mathematical skills.

Geometry uses the concepts of inductive and deductive reasoning to prove mathematical equations.

Mrs. Silverthorn instructs students on this subject. Mrs. Silverthorn and Mrs. Hedge each teach Algebra II. Algebra II is an extension of Algebra I. It covers the subjects in more detail.

Trigonometry is also taught by Mrs. Silverthorn.

In addition to a complete course in trigonometry, other topics such as logic are covered.

Consumers' math provides skills needed in every day situations. Both Mrs. Robinson and Miss Whitcomb teach Consumers' math.

Advanced Topics is a basic study of different concepts in advanced math. This class covers many important topics for College. Mr. Hunt teaches this class.

Calculus is an advanced math class covering the use of logic and many other important concepts. Mr. Hunt also teaches calculus.

Computer math was expanded a great deal this year with an addition to the computer department. This class covers basic computer programming and it's relationship to math. Both Mr. Hunt and Mr. Rathje teach this class.

BUSINESS

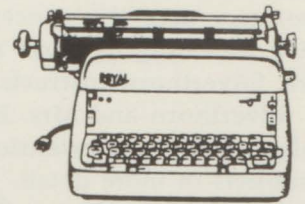

The Business department at Yale is designed to introduce students into clerical fields. Mrs. Robinson and Mr. Wiersma teach five classes in this department.

Typing I introduces students to typing which is a skill needed in most jobs. This class is designed to help students better their skills as a typist. Both Mrs. Robinson and Mr. Wiersma teach typing.

Shorthand teaches students the skill of shorthand both from a dictating to notes and from notes to a typed letter. Mr. Wiersma teaches this class.

Mr. Wiersma also teaches Bookkeeping. This class includes the teaching of the complete bookkeeping cycle, handling of money and filing of tax forms.

Office Practice teaches such skills as filing, typing letters, data processing and many others. Mrs. Robinson teaches this class.

RESOURCE

The Resource Room is designed to help those students who need a little extra help with a class.

Miss Sugg and Mrs. Maul are in the resource room to help students get a better understanding of any subject troubling them.

They will also help students improve their scholastic skills.

top row: Mrs. Robinson, Mr. Wiersma

INDUSTRIAL ARTS

Industrial Arts consists of 5 classes taught by either Mr. Marcetti or Mr. Cook.

Wood Shop is a class designed to explore the use and care of hand tools, power tools and basic materials used in the field of carpentry. Both Mr. Marcetti and Mr. Cook teach this class.

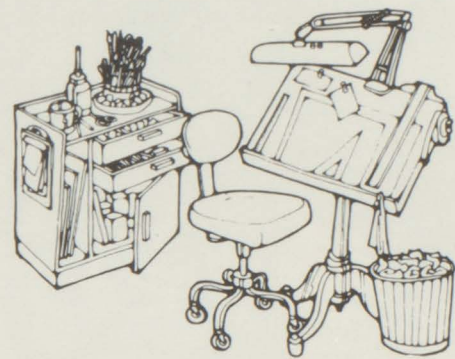

Furniture and cabinet building further explore the furniture and cabinet industry. Emphasis is placed on the completion of a piece of furniture or a cabinet requiring craftsmanship. Mr. Cook instructs students in this class.

Metals is a basic introduction into the field of metal working. Students will have the chance to develop skills in metal working. Mr. Marcetti instructs students for this class.

Machine tool is designed to follow metals and the main objective is to deal with the operation of certain machines. Mr. Marcetti also teaches this class.

Mr. Cook, Mr. Marcetti

FINE ARTS

The Art department in Yale consists of five different classes in four different fields.

The first field is Journalism; which produces the yearbook and school newspapers. Mr. Dewey teaches Journalism.

The Art classes are also taught by Mr. Dewey. In Art, students learn different concepts ranging from sketching to painting.

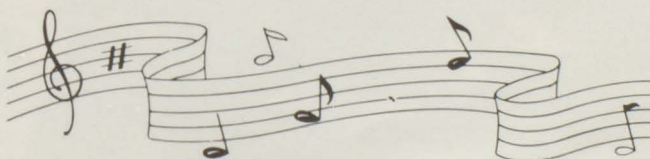

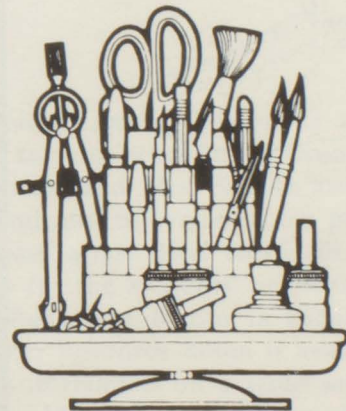

Mr. Dewey also teaches Photography. In Photography, students learn basic concepts and better their skills.

In the Performing Arts department are Band and Choir. The Band takes part in sports assemblies, games and other activities requiring their music.

The Choir performs concerts and other activities. Mr. Hajost is the director of both Band and Choir.

Mr. Dewey, Mr. Hajost

PHYSICAL EDUCATION

Physical Education teaches students rules of all team, and individual sports, and presents many aspects of personal health.

General Physical Education is designed to give students a basic knowledge of team and individual sports, their rules, and basic personal health. Mrs. Goodall and Mr. Darin teach General Physical Education.

Weight lifting is taught by Mr. Egan and Mr. Darin. This class helps students improve their skills and also lets them compete against others.

Home ECONOMICS

In the Home Economics Department students learn skills needed in everyday life. Everything from cooking to the raising of children is covered. Mrs. Willer and Miss Carpenter teach in this department.

Both Mrs. Willer and Miss Carpenter teach foods. In this class students learn many things, ranging from the proper use of equipment to proper nutritional habits.

Clothing is also taught by Miss Carpenter. In clothing class students can learn the basic techniques of clothing construction or better their sewing skills.

Mrs. Willer teaches Child Development. This class is designed to teach students about living with children and learning how to grow, think and act.

Marriage and Family Living is a course in which will help you to be successful and happy in a married relationship and to help you raise a family. Mrs. Willer teaches this class.

Single Survival teaches students the essentials needed for every day life as a single person. Miss Carpenter teaches Single Survival.

LIBRARY

Mrs. Bloom and Mrs. Vesper hard at work.

The High School Library, known as the Bulldog Think Tank, is for the students' convenience. Mrs. Vesper, Mrs. Bloom, and Mrs. Sabada are willing to help students find any information for personal and scholastic purposes alike. The Think Tank is open most of the time for the students' or faculties' use.

The Career Resource Room is located in the library. The Career Resource Room is available to the students to get information on a wide assortment of available careers. Mrs. Sabada will work with students interested in different careers.

ADMINISTRATION

Our administrators help make this school run more smoothly. The job of an administrator includes many things such as dealing with discipline problems, working with the parents and the community. The major purpose of an administrator is to ensure a quality education for all students. We feel that our administration meets these qualifications and we truly appreciate all their hard work.

SCHOOL SERVICES

Don Boers, Ed Davies. Not present: Al Long and Joe Wiczorek.

Bev Harmer, Gene Clark, and Molly Houston.

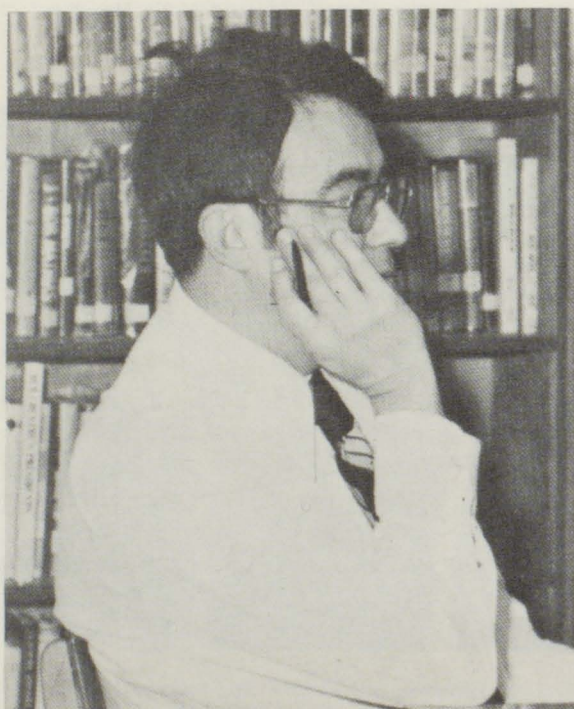

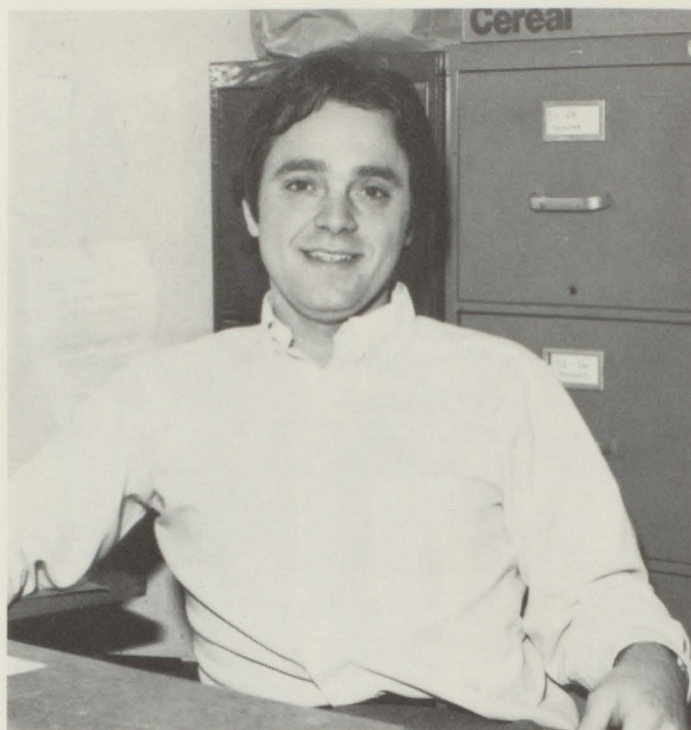

Vital to the high school are the services of the cooks and custodians. Without their hard work we wouldn't have clean classrooms for a better learning atmosphere and hot nutritional meals needed for a sharp mind and sound body.

Counselors are there when we need them!

Mr. Little, Mr. Goetze and Mr. Catanese are our Counselors at Yale High School. These counselors do alot of work for the school. One of their important jobs includes helping students plan their high school curriculum.

They advise students and help them select the appropriate classes for their four years of high school. The counselors also help students decide which college they might like. The counseling department is also responsible for student assignments to the Skill Center and scheduling classes for the following year. In their spare time, they help students with personal problems. Mr. Little, Mr. Catanese and Mr. Goetze help our school run more effectively.

This senior has held a 4.0 grade average. Dave Drotar is one of a very few students who has kept an average this high, especially being a senior. When Dave was asked about his high average, he said that "determination is one of my main motivations. If something really gets me going, there's no stopping me until it's done. Goal setting is my other motivator. If I find myself slipping behind or getting lax, I remember my objective, and that gets me going again."

"I like having a good time, but I know that there is a time for that, and a time for work. I don't let either one interfere with the other, but I do usually have fun at just about everything, even work."

"Other words to describe me are confident and secure. Other people's opinions and actions do not influence my own decisions and actions. I am my own person. What I do is my own choice. I am in control. It doesn't bother me to be different from everyone else because I am secure enough of myself to know that I don't have to be one of the gang."

"The high-point of my high school career was attending the Hugh O'Brian Michigan Youth Leadership Seminar when I was in 10th grade. I've never been around so many talented, intelligent and fun people in my life. There were about 180 guys and girls. I wish everyone had the chance to go there. We learned about our economic system, media, how to set goals, and many other things. In one word it was great!"

Future plans are a career in the military. Though he is not sure which branch of the service he will go into.

"I like to play such sports as football, wrestling and baseball. I also am in many clubs which include Spanish Club, Science Club, and The Brothers. I was accepted in the National Honor Society, and Who's Who in America."

Hi! My name is Anita Venohr, and I want to share with you a little bit about myself and my ideas about being a successful student.

I really enjoy the athletic and social activities Yale offers. I love to participate in volleyball and girl's basketball. I love to go to dances, that's my time to unwind. But activities don't end with sports and dances, the Science Club and Spanish Club fill a lot of my time, especially since I am Vice President of the Spanish Club. Being active in school functions takes a lot of time and dedication, but in the end, the rewards and satisfaction are bountiful.

As for academics, I rank third in the class, which is great. I have learned that taking the few extra minutes to get the homework or studying done is definitely worth it. I realize that homework and studying must be done to achieve success, so I do it. With a G.P.A. of 3.9 and a ranking of third in a class the size of about one hundred and seventy, I'm proud!

My future lies at U of M. I plan to become a D.D.S. The Dentistry field contains so much: science, art, math, and working with people . . . I love all of these, so I feel dentistry is the right choice for me.

Being a successful student at Y.H.S. is easy if you take the right attitude. There's a time to work and a time to play. And for fun, join something you're interested in. Whether it be a sport or a club, dedicate yourself to it! Go to the games and dances, it's your school, support it and be proud of it! You determine your own future, and you make your own fun, so give it all you've got!

Sincerely,
Anita Venohr

MORE THAN JUST STUDENTS

Hello my name is Missy Beschoner. I am in eleventh grade, and ranked fifth in my class, with a grade point average of 3.792.

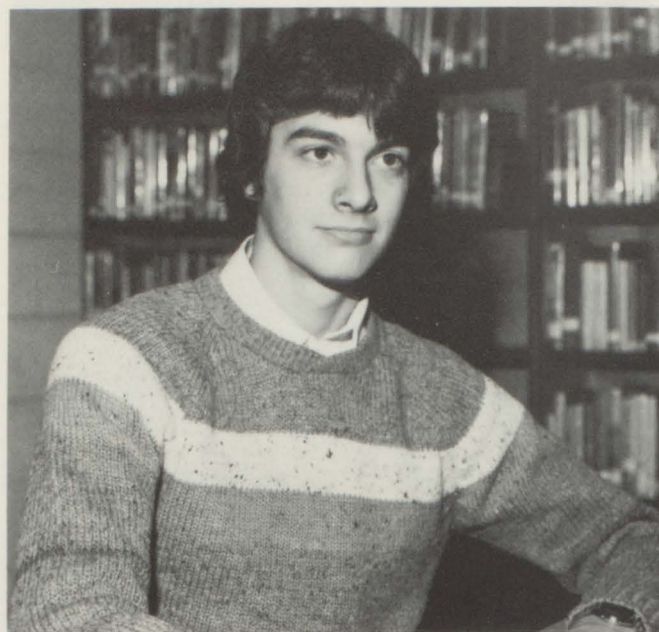

I was a football and basketball cheerleader in ninth and tenth grades. This year I'm on a pom-pom squad and last year I was a wrestlerette. I have been on the tennis team since ninth grade; I haven't improved, but I'm trying. I've been in the Spanish Club since ninth grade and this year I'm the secretary of the S.C. I was also elected Vice President of my class.

Last but not least, I am a member of the Science Club. As you can see I really enjoy getting involved in things and I enjoy supporting my school.

Next year I hope to raise my grade point average so I might receive a financial aid for college. I hope to go to Michigan State and study to become a veterinarian. If I can't get a scholarship or financial aid, I will join the service and then possibly go to college after that.

Well, wish me luck.

Missy

Hello, I'm Mark Hachenski. I'm in the 11th grade. I'm 4th in our class with a grade point average of 3.917. When I was in the 9th grade I played basketball. In my sophomore year I played J.V. basketball and J.V. baseball, and over the summer I went to a basketball camp in Midland. My junior year has been alright so far and I'm playing varsity basketball.

My future plans are to go to college. I'm not sure what I want for a job, but I want to either take one year at the St. Clair County Community College and then go on to a major college like the University of Michigan or Michigan State or I might just start at a larger college and not go to SC4.

Mark Hachenski

SPECIAL PEOPLE START AS SPECIAL STUDENTS

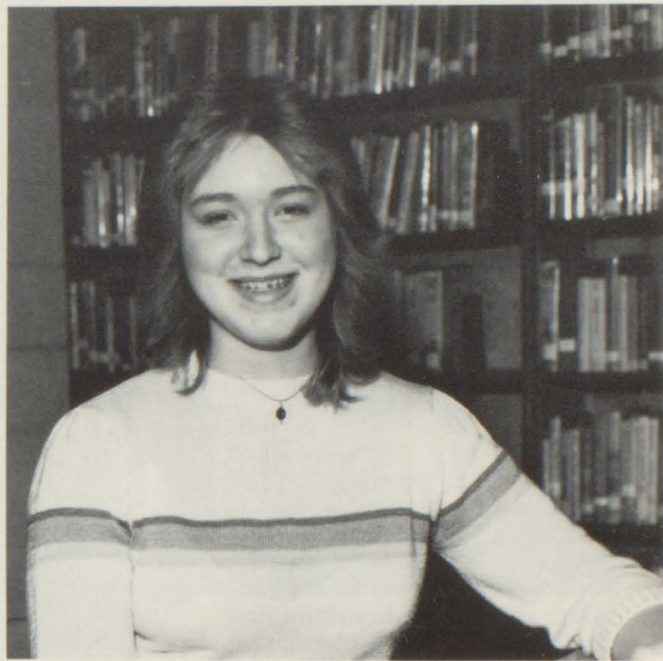

One of the brighter students in the Sophomore class is Norma Lohr. She enjoys participating in sports. Norma played Junior Varsity basketball, volleyball, softball, and is also a majorette. She enjoys outdoor activities such as swimming, skiing, ice skating, and bike riding.

Norma has participated in several marathons. Last year she walked 18 miles in a walk-a-thon for the March of Dimes to Prevent Birth Defects and 3 years ago rode 30 miles in a bike-a-thon for Multiple Sclerosis. She also talked and sang to elderly people in the nursing homes. Norma is also active in church where she is in the choir, helps with dinners, and is involved in the Christmas programs.

When asked about her academic work, Norma said, "I put forth a lot of interests. I carry a 4.0 grade point average and in the 8th grade was a Ted Stine candidate." After school she would like to attend St. Clair County Community College, for nursing.

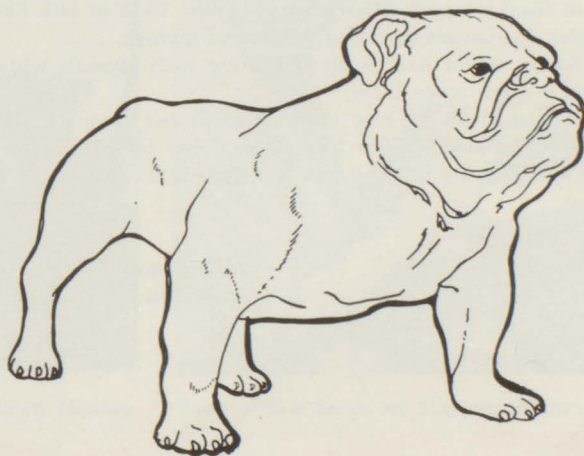

Norma said "I think it is important to learn and to keep learning because there is always something you don't know! I learn by asking questions and by studying, but as you see, I have time to do a lot of other things I enjoy too."

Hello, my name is Laura McDonald and I'm a sophomore. My interests are horseback riding, and swimming. For the past several years I have participated in 4-H and the U.S. Pony Clubs.

I have a 4.0 grade average this year. In eighth grade I was a Ted Stine candidate.

After high school I plan to go on to college first at SC4 and then a larger college. After college I would like a job in a computer firm in Detroit.

HALLO, GOODAG

In the past years Yale has had many exchange students from other countries, Norway, Sweden, Germany, Denmark and many more.

Our only male exchange student this year is Kim Pedersen.

Kim comes from Hernig, Denmark a population of 60,000 residents.

Back home in Denmark Kim has two brothers. Ole, who is thirteen and Jan who is twenty-two years old. Jan was once an exchange student at Yale in 1977.

Kim says there is a big difference in the foods. They eat alot of danish foods and meat.

While living here in the U.S.A. Kim is living with the Molesworth family. Kim has two brothers and two sisters and none of them live at home. Kim says that his parents here are very nice, but they are too protective because they don't want him to get into any trouble.

Kim loves sports. Back home he played hockey, soccer, tennis, and handball. In his spare time he goes to Port Huron to play hockey.

Kim also likes to travel. His father is a captain of a 10 thousand ton ship. Kim has traveled practically all over Europe. He has been to Russia, Poland, Spain, France and Holland.

While visiting the U.S.A. Kim would like to visit Canada, New York, California, Florida, and the Grand Canyon.

This year we have one girl exchange student. Her name is Saskia Remer. She is a senior. She is living with the Whitson family. Saskia is from a little town in West Germany called Zangleben, with a total of 27 people.

At home in Zangleben, Saskia has one sister Wendela, (18), she is not interested in being an exchange student. She has two horses, Marco and Caspar that she really misses. She also has two cats and one dog. Her activities at home are riding her horses and also cleaning her stables, (that she likes). She also likes playing the piano and guitar. She likes to do this in her spare time.

Saskia said in West Germany they don't dress up to impress people, they dress up how they want. One style of clothing is pants that are really tight at the ankles, (like the ones she wears).

In her town they have to drive two hours to get to the nearest McDonalds. She said they don't eat much junk food, but she likes it.

We asked Saskia what she wanted to do most and she replied, "Go to California. I heard there are a lot of guys there." She would also like to go to Florida and visit different places. She likes to learn different customs too. She also likes to meet different people. She likes to talk like us (the students of Yale). She means the slang words and sayings.

Saskia would like to do something with animals when she's out of school and to learn about them.

We asked Saskia how she felt about not having sports "I was very disappointed of course." She has sports at her school but not like here. They play all sports, just a little bit, not just three main sports.

The 1984 journalism class consists of 22 hard-working students. We are divided into two groups, which are the yearbook, and the newspaper which has 8 students working very hard to bring the school and world events to the students every other week. The school paper, *The Epitaph*, is sold for 10¢ and is a great success.

The Yearbook consists of 14 students who have worked very hard in putting this yearbook together. We had to sell advertisements, take pictures, develop prints, make layout sheets, go over a ladder many times.

Our advisor is Mr. Dewey, and we would like to thank him and all the teachers for their support and patience while the yearbook was being made.

This year's Student Council set many goals and objectives for the year of 1984. Because the millage didn't pass until late October, Student Council didn't have their first meeting until November.

Student Council's first major project was the canned food drive held on December 12th-21st. The student body collected over 1,479 cans which were distributed to people around our immediate area for Christmas.

Another goal of the Student Council is to set up our own Student Forum. This forum would consist of the students from every grade to participate with the school board in major school decisions.

Ahead of us, we have many school projects such as the blood drive, Homecoming, and the regular duties of Student Council. This year one of our main goals is to involve all students, not just student council reps., in participating with the administration and also having pride in our school. A new idea called "Project Pride" will hopefully be put into effect this year. This program will help to do various things to improve our school and involve *all* students in the process of making Yale a better place to learn. With all the help and involvement we have been getting from the student body, faculty, and administration, it will not be hard to accomplish this goal and many more.

Sincerely,
Barb Brown
Student Council President

Who Joins F.H.A. and HERO Chapters

To be a member of FHA or HERO chapters students are enrolled or have been enrolled in consumer and homemaking education or an occupational home economics education program in a High School.

Towards New Horizons

FHA-HERO

FHA-HERO is a national organization for high school students, both male and female in Home Economics or related subjects. Its members participate in various activities designed to build character and increase the understanding of classroom subjects.

F.H.A. chapters study such homemaking skills as child care, cooking, and household management. Hero chapters prepare members for employment in such fields as the clothing business, the food industry, and interior decorating. Now, both FHA and Hero chapters have joined together as one group called FHA-HERO. The group works on activities in three main areas: (1) The community (2) The home and (3) The school.

Some of the activities we have already participated in were painting the walls of the girls' bathroom, adopting grandparents along with the Student Council, and having an Easter party for the senior citizens.

We went to Western Michigan University for 3 days last spring to compete against other schools in Home Economic areas. We also got to know and vote for new state officers.

Our advisor is Mrs. Willer. She is an outstanding person and has always been cooperative and has a positive attitude towards all FHA-HERO members. We hope that this year is as big a success as the last one.

Sincerely

Anna Whitson—President

Tina Mathews—Vice President

SPANISH CLUB

Back row: Mike Prey, Doug Nowicki, Lisa Collins, Kelly Goulding, Ann Porrett, 3rd. Row: Linda Anderson, Patryl Bulak, Barb Brinley, Peggy Thomas, Renee Mazzoline, Lean Armstrong, Sue Furman, Peggy Clark, Jackie Charney, 2nd Row: Lori Gall, Debbie Barenbrugge, Steve Frenette, Donna LaGosh, Chris Yurko, Bill Kean, Leah Capanda, Vicki Kardell, Judy Quain, Bottom row: Advisor: Miss Sworthwood, Treasurer Carrie Scheible, Secretary: Missy Beschoner, President: Lynne Vandebossche Vice President: Anita Venohr, Christine Frenette, Jan Barr, Diane Gibson, Terri Click.

This year, the Spanish Club has about 30 active members. The officers are: Lynne Vandebossche, president; Anita Venohr, Vice President; Missy Beschoner, Secretary; and Carrie Scheible, Treasurer. Our Spanish Club advisor is Miss Sworthwood.

The last couple of years, the Spanish Club had a goal to earn enough money to go on a trip to Mexico. Because of the poor economic situation, we are unable to go.

Some of the fund raising activities we do are selling Love-A-Grams, M&M's, Smurfettes, bake sales, and sponsor dances. We also have a car wash before the prom.

This year the Spanish Club plans to have a booth at the school fair with exhibits and other things to see. We also plan to have a Mexican Food Party, where we will learn how to make some other Mexican dishes.

Sincerely,
Lynne Vandebossche
President

NATIONAL HONOR SOCIETY

Top Row: Mr. Hunt, Jim Kean, Dave Drotar, Chris Yurko, Ken Weeks, Tracy Stanyer, Fred Clark, Steve Mead. Bottom Row: Anita Venohr, Sandy Nazar, Bev Krzak, Theresa Simmons, Lisa Collins, Michelle Sarsfeild, Donna LaGosh, Mary Menig.

The National Honor Society consists of a selected group of academically talented students. Each year new members, Juniors and Seniors, are installed during a formal ceremony. Juniors with a 3.5 or better grade point average and Seniors with a 3.2 or better GPA are qualified as candidates. A 3.0 GPA must be sustained throughout the year to remain an active member. Aside from grades, a candidates service, and leadership abilities are considered in the selection process. The National Honor Society gives due recognition to some of Yale's finest students.

Sincerely,
Dave Drotar
National Honor Society
President

SCIENCE CLUB

The Science Club has been around for many years under the guidance of Mr. Hunt. It is open to grades seven through twelve. The Science Club meets every week at the High School. After the general meeting is over, members are free to do experiments or use different devices.

The Science Club also owns its own Greyhound Scenic Cruiser and makes many trips throughout the year. We have visited such places as Boston, Kentucky, Tennessee, Chicago, Toronto, Michigan State University, Florida, and the Western States.

The Science Club is a self-supporting organization; the largest club in the school, and has grown larger every year.

Sincerely
Steven Witt, President

OFFICE HELP

Front Row: Tracey Hill, Denise Boddy, Kim Pedersen, Mary Kay Haley, Missy Makowski, Don Robinson, Kathy Donnellon, Barb Brown, Lisa Collins. Back Row: Todd Desloover, Eugene Dorcy, Scott Gill, Scott Jones, Paul Consiglio, Wade Fulmer, Ron Charney, Terri Click, Cheryl Witalec.

The student assistants scheduled into the high school office are an important part of the operation of the high school office. Daily, they are responsible for collecting and posting the attendance from each classroom, the operation of the switchboard (which covers four buildings and 26 extension phones), sorting mail and running errands for the principal, secretaries, counselors, and athletic director.

Being an office assistant can be a good learning experience. Students learn the operation of office equipment, how to greet parents, salesmen, etc., who come into the office, proper telephone etiquette, filing and general office procedures.

Cadet teachers are a must! Teachers count on them to correct papers, run errands and do jobs for them.

A cadet teacher is a big help. Without them, teachers would have a lot of extra work to do and less time to spend with the students.

Being a cadet teacher is not an easy job. You must be able to take on the responsibilities and be willing to help.

The Yale Staff wishes to thank all of the cadet teachers for a job well done.

LIBRARY AIDS

Carol Devigili, Cheryl Ryan, Lisa Ross Missing: Evelyn LaFave, Jennifer Hyde, Chris Cain.

The student aides are an indispensable part of what helps to keep the Bulldog Think Tank working efficiently. Mrs. Vesper tries to be sure that each student knows before they sign up to work exactly what they will be doing. Often students are surprised to find they do not just sit at the desk and read, or check out books.

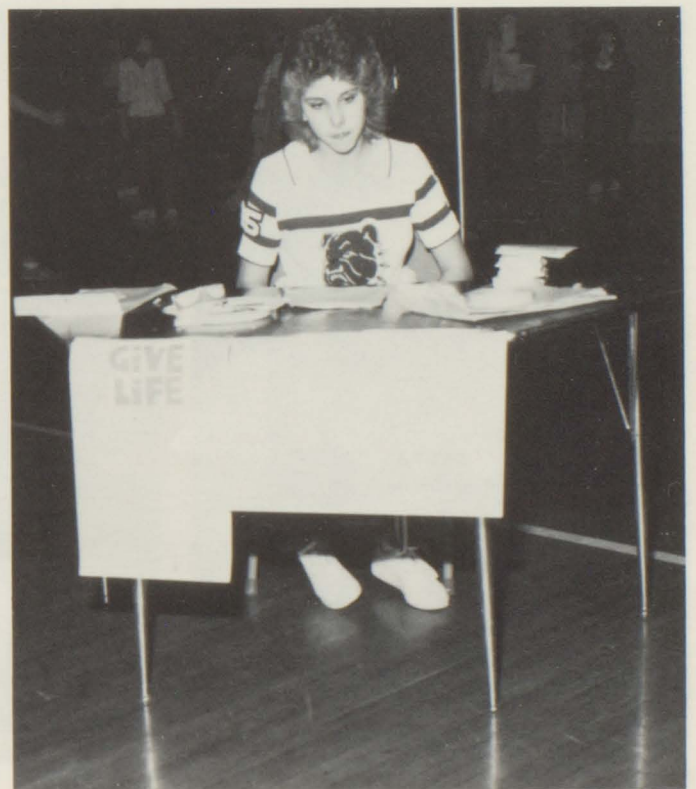

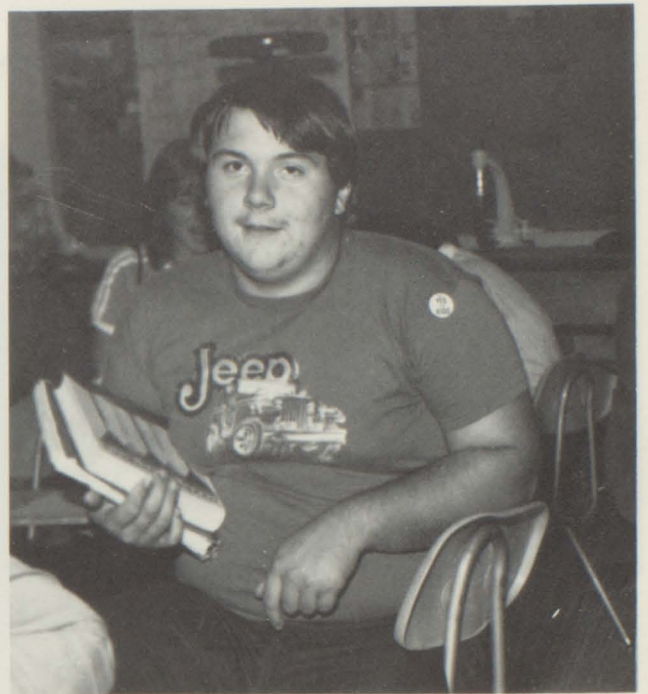

One of the most important aspects of the students' work is that of putting away books and magazines. If a book or magazine is not put in the proper place on the shelf, it might as well be lost, because no one can find it. Also, each student is assigned a section of the library to dust and keep in order.

In addition, students help with checking in magazines, filing, clipping newspapers, typing, processing books for the shelves, working with audio-visual equipment and materials, keeping the card catalog and shelf-list up to date, and doing inventory at the end of the year.

Not only is this work of value in helping Mrs. Vesper and fellow students, it is also of value to the student aides themselves.

Students learn the importance of working accurately and that quantity is not necessarily as important as quality. They learn to work with and assist their fellow students, as their own knowledge of using the library increases. "Three cheers" for the 1983-84 Library student aides.

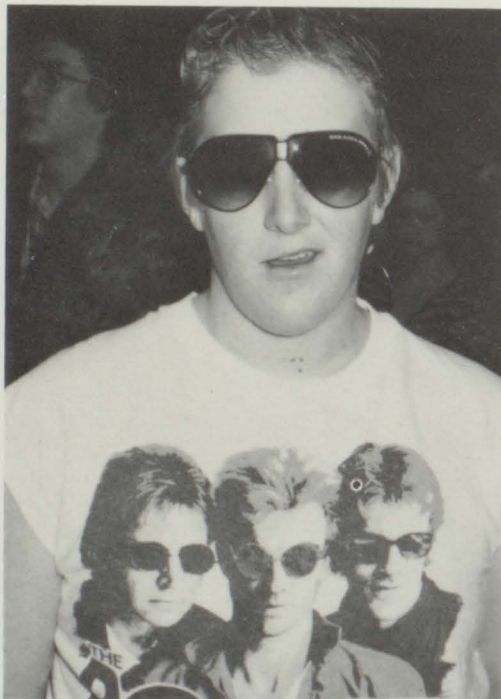

HOMECOMING

SPIRIT WEEK

This year Spirit Week was held during the basketball season. Spirit Week is the tradition that is always held the week of Homecoming. Each day is designated as a particular type of dress day, and the class with the highest percentage of those dressed wins. This year Spirit Week included "Tourist Day" on Monday, "All Sports Day" on Tuesday, "Disguise Day" on Wednesday, "Punk Rock Day" on Thursday, and "Blue & White" day on Friday. When the vote came in, the Seniors had won Spirit Week.

OUR COURT

Homecoming this year was held in the winter because of the late millage passage. The homecoming court consists of fourteen people. The seniors were Jim Kean, Tina Mathews, Wade Fulmer, Lisa McLaughlin, Pat Superczynski, and Carol DeVigili. The juniors were Dan Keegan, Missy Liebler, Paul Klocke, and Dina Zurawski. The sophomores were Ed Donnellon and Vickie Kardell. The freshman were Tom Kean and Loretta White. The 1984 Homecoming King and Queen were Jim Kean and Carol DeVigili. We played Armada on February 3, 1984. The game went into overtime and it ended with a 72-70 victory. The dance was held on February 4, 1984, in the Yale High School gym. The D.J. was Steve Frenette. The dance was from 8 p.m.-12 p.m. and was very successful.

SPORTS ACTION

Basketball

Basketball in Yale has been very exciting to watch this year. The Bulldogs are trying to bring home the S.T.A. Crown this season. Leading the way for the Bulldogs are Seniors Pat Superczynski, Chris Jasmer and Jim Kean. The Juniors include Dan Keegan, Kent Porter and Paul Klocke. The games have been exciting, crowd pleasing, and fast breaking. The team has strong rebounding stats and many good shooters. Whatever the outcome of the season, they are still winners!!

Cheerleaders

This was one of the most spirited years that Y.H.S. has ever seen. Our Bulldog fans and players have given us a lot to cheer about.

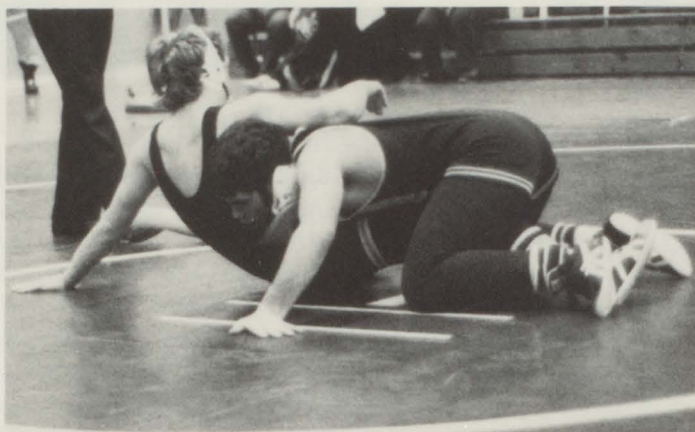

The purpose of cheerleaders is to get the crowd excited and involved, and to have fun at the game.

This year we tried to center on crowd cheers and floor cheers and also on keeping the gym decorated with spirit. All squads put in many hours of hard practice to look our best for the Bulldogs.

We would like to thank the players and fans for all your support. We could not do anything without all of you. Bulldogs, you are the Champions!!

Wrestling

Wrestling is not one of the most popular sports in Yale, but it is an important one for many people. The Wrestling team has Wrestlerettes which are like cheerleaders. The Wrestlerettes cheer the wrestlers on while they are in a match. This year's varsity line up for the wrestling team is Tim Muldoon, Scott Sabada, Manual Amaya, Mike Simmons, Tom Conley, Jim Muldoon, Dave Drotar, Paul Consiglio, Brad Vincent, Larry Kraft, Todd Deslover, and Don Robinson. The team overall has been strong this year and were even champs at their own invitational.

Volleyball

Volleyball. So far this season the varsity volleyball team is 8-2. Overall they're 12-5. The team members are Kathy Roy, Dori Trupp, Diane Kettlewell, Theresa Hyde, Tracy Kavanaugh, Dina Zurowski, Shanon Clement and Shelly Harrison. The co-captains are Kathy Roy and Dori Trupp.

"The main ingredient of stardom is the rest of the team."

the 1983-84 POM-PON SQUAD

First Row: Tracey Hill, Bev Krzak, Lorie White, Lorraine White, Kellie Lauer. Second Row: Tracy Aldea, Sheri Edwards, Missy Beschoner, Third Row: Kim Stevens, Jill Falk, Lisa Kelly, Fourth Row: Kathy Reusser.

The 1983-84 Pom Pon Squad consists of twelve girls and two alternates. They're under the direction of Carole Salski. This year's Pom Pon Squad have been working hard to improve the spirit of Yale High School. They perform during the half-time of our boys Varsity Basketball Team. The Pom Pon Squad skillfully make up routines for every game and it is often extremely hard. The Pom Pon Squad have done many routines to songs such as "Can't Shake Loose," "Standing in the Strike Zone," "Beat It," and "Owner of a Lonely Heart."

Congratulations girls for a job well done.

'Bulldogs are winners'

The Yale Bulldogs are number one, and that's what they proved last year, as many teams came forth with league championships. The league champions were Varsity Softball, and the JV Baseball teams. While the Varsity Baseball team and the Boys Track team captured second, and the Girls Track team received a third place title in the league. Congratulations everyone for a job well done.

Dust flies as Dan Keegan (Soph.) kills Capac Chiefs.

UP DATE:

The guys' Varsity Baseball Team pulls up one notch in the S.T.A. Standings to 2nd place with a record of 10-2. The team's pitching came from Dan Pingitore with a record of 11-3 and James Keegan with a record of 11-4. They were backed up with the strong hitting of Jeff Chandler with a batting average of .353, and Carl Rumsey with an average of .350.

In 1983, the Yale Bulldogs broke a school record of the most hits in one inning which consisted of 11 hits. Congratulations to the Boys' Varsity Baseball team for their outstanding efforts.

YALE GIRLS

Lord, give me strength!

The girls' Varsity Softball team once again finished first in the league with a record of 11-1.

Diane Kettlewell and Mary Hyde were selected to the first team All League and Second Team All Regional for their outstanding efforts. Despite the loss of Seniors Mary Hyde and Rosanne Grace, the Lady Bulldogs have 13 returning lettermen to the team and they will be working hard for another successful season in 1984.

Mr. Robinson once again captured the Coach of the Year award, while Diane Kettlewell was named Most Valuable Player in the S.T.A. Congratulations to Mr. Robinson and the 1983 Softball Team for having another fine successful season.

'83' S.T.A. CHAMPS

JV ARE WINNERS!

Pat Hayes, Clark Edgerton, Steve Bond, Kent Porter, Mark Hachenski, Tim Meharg, Tim Teichow, Brian Rykowski, Mike Russian, James Meharg, Pat Klause, Tom Conley, Paul Klocke, Rick Fuller, Gene Colden.

The 1983 J.V. Baseball team pulled first in the S.T.A. with the help of Kent Porter pitching a perfect game against Dryden 7-0. The bulldogs were strong on offense as well as defense with Pat Klause hitting a batting average of .372, and leading the team with 22 stolen bases.

Congratulations Mr. Wilcox and the J.V. Baseball team for a job well done.

The J.V. Softball team had a disappointing season, in terms of the lack of wins and the few number of games they played. However several individual players played hard and made great improvements.

Three Awards were awarded. Norma Lohr and Barb Pratt received Co-Captain awards, while Lynne Vandebossche received the Most Improved Player award. Record 0-6

Lynne Vandebossche, Carolyn Klause, Bobbie Jo Huffman, Terri Click, Tricia Kavanagh, Carrie Scheible, Leanne Armstrong, Norma Lohr, Dawn Ellis, Judy Quain, Vicki Bologna, Barb Pratt, Jennifer Sharp, Amy Younghiem, Sherry LaMay, Lynn Kinney, Pauline Huffman

YALE RUNS FOR VICTORIES

The 1983 girls track team had a fine season, with a record of 4-3. Tami Begerowski lead the team in points; running the mile and the two mile. Closely behind was Dora Quintanilla who competed in the discus and shotput. Cheryl Walenty broke the school record for the 330 low hurdles with a time of 52.7.

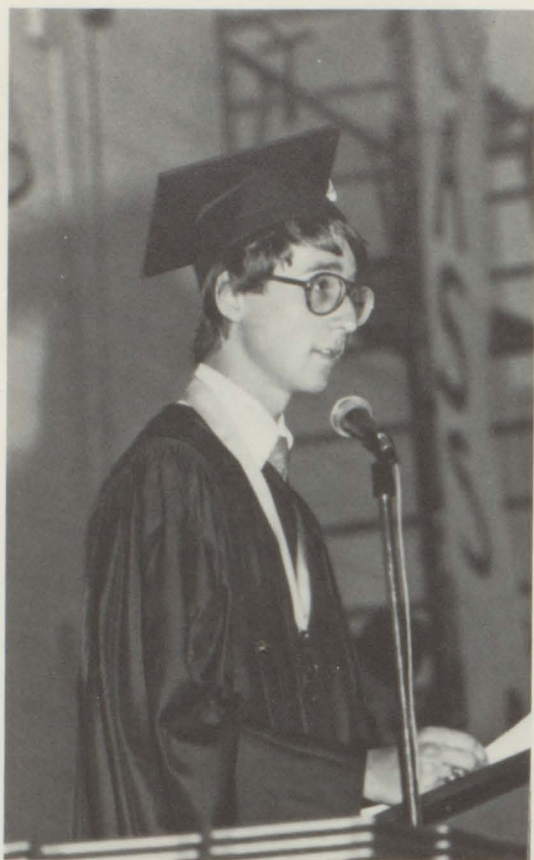

Yale gave out the awards for co-captains to Tami Begerowski and Dora Quintanilla. Tami also received the award for most valuable player.

Back row: Kelly Goulding Cheryl Walenty, Mary Menig, Renee Mazzoline, Sue Harvey, Shannon Clement, Sandy Nazar, Bev Krzak, Kate Brown, Jackie Click, Cindy Kaltz, Anna Whitson, Peggy Thomas, and Debbie Boddy.

The Varsity Track Team had a fine year with a record of 6-5. In the S.T.A. they placed 2nd overall. Joe Goubert broke the high jump record with a jump of 6'3". Joe also lead the team in points with 197.17. Following him was Steve Frenette with 89.17. The team lost 9 seniors but there's still a lot of talent. Congratulations to the Varsity Track Team.

Wade Fulmer, Kevin Witt, Mike Kurtz, John Mrazek, Pat Superszynski, Tim Donellon, Dave Wampler, Todd Deslover, Mike Hillis, Steve Frenette, Steve Witt, Ken Peltier, Joe Goubert, Tom Gleason, Brian Elwarner, Ed Williams, John Klocke, Martin Beals, Brian Goulding, George Ingles, Richard Marzek, Don Shannon, Ken Mazzoline, Mark Stevens, Mike Ebock, George Andaluz, Chris Vore, Dan Pingantore, Glenn Keyworth, Jeff Chandler.

Salutatorian for the Class of 1983 was John Yurko with a grade point average of 3.98. He is now furthering his education at the University of Michigan.

Joyce Hayward was Valedictorian for the Class of 1983 with a grade point average of 4.0. She is now furthering her education at Michigan State University.

Monica Lund, our foreign exchange student from Sweden, received her Yale High School Diploma from Mr. Bricker. Thus completing a successful year at Yale High School.

Class of 83

Accepting the Bill Bearss and Outstanding Senior Award was Bill Mackey. Bill is now attending St. Clair County Community College.

Winning the Doris Laidlaw Award in fine arts was Todd McCallum. Todd is now attending St. Clair County Community College.

Commencement

The Kathleen Marie Giuliani Voice of the Year Award went to Kristy Edwards. In previous years, Kristy has won honors and awards for her excellence in music. She is now attending college at the University of Michigan.

The following people were present at the Graduation ceremony presenting our 1983 seniors their diploma's. Mr. Wark, Mr. Bricker, Dr. Harrington, Ms. Tackas, Mr. Williams, Mrs. Rutledge, and Mr. Robinson.

Whether you're headed on for more schooling or you're headed into the job market right now, one thing's for sure.

Employers are looking for experience.

When you look for a bank to begin handling your accounts you should ask for experience, too.

Experience means when you need a bank for more than saving and checking, they'll be able to handle your needs.

The bank with the most experience in St. Clair County is The Commercial and Savings Bank. We've been helping people and businesses continuously since 1871. That's experience!
